Beauty Therapy

Imagine yourself as a professional beauty therapist! The Career opportunities are endless at the AIAS College of Beauty Therapy, world leaders in beauty courses and career guidance.

All our beauty training courses are endorsed by the Australian National Training Authority and National Training Framework Committee.

Our Beauty School Graduates are accepted by major retail stores, beauty shops, cosmetics houses and pharmacies.

The AIAS College of Beauty Australia is a nationally recognised beauty therapy training organisation and is proud to announce the commencement of the Diploma of Beauty Therapy. This diploma has been written within the National Framework guidelines which was introduced in July, 2000 for Registered Training Organisations who wish to deliver a Diploma of Beauty Therapy.

The college of beauty offers many streams of this highly sought after diploma, including Nail Technology, Makeup Artistry, Retail Cosmetic Assistant, and Nail Technology (Small Business).
